

MODEL UNITED NATIONS

INTERNATIONAL SCHOOL OF THE HAGUE

Dear MUN Director/MUN Advisor,

Wednesday May 31st, 2023

On behalf of my fellow MUNISH [Board of Directors](#), I am pleased to present you with the Second Mailing for MUNISH 2023. We are delighted with the responses we have received to Form I and the First Mailing and are therefore looking forward to hosting a vibrant and diverse conference based on our theme **Bridging the Divide to Unity and Equality** (<https://munish.nl/pages/theme>).

The Second Mailing contains organisational information and a more detailed outline of the MUNISH 2023 conference. We have allocated schools to country delegations and Non-Member delegations, according to, as much as possible, the preferences listed on the application forms. **In some cases, the number of delegates exceeded the places in the country delegation(s) meaning that the schools in question have received an extra delegation, which they may choose to take up or relinquish depending on the size of the delegation they will bring to MUNISH in November.** If you wish to have another delegation assigned to you, we still have some available, but please first ensure that you have enough delegates to fill the extra places in the delegation allocated. Conversely, if you believe that you will have enough delegates to fill the extra delegation you have been assigned, please let us know as soon as possible so that we can re-assign your delegation(s) to other schools.

Resources for the delegates, such as *How to Help MUN Delegates Become Prepared* and the *MUN Chairing Guide* are now available on the MUNISH website (www.munish.nl/pages/munguides). We would like to strongly encourage your delegates to make use of these resources as well-prepared delegates can only enhance the quality of debate during the conference.

The Third Mailing, to be sent out in early September, will contain information concerning the registration of individual delegates (Form 2), which will be completed via the MUNIS registration system (used for the submission of Form 1). In addition to this, information concerning hotels, travel, and tourist attractions can be found on our website at www.munish.nl/pages/hotels. Form 2, registration of your delegation in our database, is due **Monday September 25th, 2023**.

All information contained in this mailing and additional information can be found at www.munish.nl.

In case of any further questions regarding country delegations or further queries, please do not hesitate to contact us at munish.secretariat@ishthehague.nl.

Yours Sincerely,

James Ward

Secretary-General | MUNISH 2023

COVID-19 Statement

We are committed to protecting the safety of MUNISH conference participants. Despite the designation from the World Health Organisation (WHO) that the COVID-19 pandemic no longer constitutes a public health emergency, the MUNISH Conference will follow the Dutch government's regulations and school COVID-19 policies. This will be communicated in further detail in the **Third Mailing** in September. More information can be found at:

<https://www.government.nl/topics/coronavirus-covid-19>.

MODEL UNITED NATIONS

INTERNATIONAL SCHOOL OF THE HAGUE

Conference Cancellation Deadline & Conference Fees Deadline

If for unforeseen circumstances a delegate or whole delegation is suddenly unable to attend MUNISH 2023, a cancellation must be e-mailed to the Secretariat (munish.secretariat@ishweb.nl) by Monday the 11th of September 2023. This will be confirmed in the form of a reply to the cancellation email. Please note that if there is a cancellation beyond the deadline, a €150 cancellation fee will be incurred. Additionally, as mentioned in the **MUNISH Bank Details & Participation Fees Deadline** section (see Page 4), the information regarding our bank details will be disclosed on the MUNIS website once Form 2 has been submitted and we have formally accepted it. Therefore, once you submit your Form 2 and we accept it, your current **'Statement of Account'** on your financial page will become an invoice revealing our bank account details. We do this to avoid confusion of schools paying before filling in and submitting Form 2.

The deadline for payment of fees is Friday October 13th, 2023.

Please address all your invoice questions to our Business Manager at:

munish.businessmanager@ishthehague.nl

Registration of Participants (Form 2)

On the User Manual link (https://munis.thimun.org/munish/user_manual.pdf) **you will be able to download an Instruction/User Manual that has a step by step guide on how to register your delegation and this can be found on pages of 7-10** of the link above. We recommend that you download the user manual to help you filling in the Form 2 online.

Therefore, once logged in, you can check your school's participation, assign delegates to available committees based on the requirements for each delegation/register delegates, MUN-Directors/Chaperones and also check your invoice using the Account/Financial tab.

Login/Password Info

If you cannot remember your password, please click on the **'I do not remember my credentials'** link at https://munis.thimun.org/munish/pagedisplay?page=send_credentials.html. The system will then automatically send you a new password to the email address that you used on Form 1 (the address registered by the system). Please remember to change the password.

MODEL UNITED NATIONS

INTERNATIONAL SCHOOL OF THE HAGUE

Registration of Delegates

We ask that you do not write your students' names using capital letters when filling in Form 2. **For example, write 'Mary Jones' and no MARY JONES.** In the case we receive a submission where this has been done, we will unfortunately have to ask for the submission to be edited, as this interferes with the production of the badges and printing participation certificates.

Assigning Delegations & Compulsory Delegations

All delegations that are represented in the Security Council (SC), Historical Security Council (HSC), Crisis Committee (UNCC), Advisory Panel on the Question of Iran (APQI), Economic & Social Council (ECOSOC), Group of Twenty (G20), Peacebuilding Commission (PBC), Environment Commission (EC), and United Nations Educational Scientific and Cultural Committee (UNESCO) **must have compulsory representatives in those committees.** Form 2 on the MUNIS registration system (<https://munis.thimun.org/munish/>) also clearly indicates the minimum and maximum number of delegates that you can register for each delegation.

Please **assign your most experienced delegates to the following committees (in ranked order); Security Council (SC), Historical Security Council (HSC), Crisis Committee (UNCC), & Advisory Panel on the Question of Iran (APQI).**

Explanation of Assigning Delegations

In some cases, the maximum number of delegates granted exceeds the requested amount of delegates. The schools in question must ensure that all their delegations are represented in the compulsory committees (see [Assigning Delegations & Compulsory Delegations](#)). It is essential that MUN Directors place their delegates in the aforementioned forums before assigning them to other committees. Preferably, place the delegates with the most experience in the committees of concern for your assigned delegation, prioritising the advanced committees mentioned previously. Additionally, we recommend that you take into consideration the interests of your delegates when assigning committees.

Again, if you wish to have another delegation assigned to you, we still have a few remaining, but please ensure that you have enough delegates to fill the places you have already been assigned. Conversely, if you do not believe that you will have enough delegates to fill the extra delegation(s) you have been given, please let us know as soon as possible **so that we can re-assign your delegation(s) to other schools waiting for extra delegations.**

No Badge Photos Required - School ID Instead

Please note that for this year's MUNISH conference, **badge photos are not necessary.** However, due to our school's security policy, **all participants will need to have some form of official identification on them during the conference** and for the Madurodam Party. Passports are discouraged and participants should use a school ID or other recognisable ID instead.

MODEL UNITED NATIONS

INTERNATIONAL SCHOOL OF THE HAGUE

Digital Resolutions & Digital Device Requirements

The MUNISH conference will have all resolutions in a digital format, accessible through an online resolution fetching system. This measure has been taken in accordance with our effort to continually strive for greater sustainability and will therefore substantially reduce the use of paper. Due to this new change, **it will be required that all delegates at MUNISH have access to a digital device from which they can access the resolutions debated during the conference.** Acceptable digital devices include laptops and tablets. **We strongly discourage the use of mobile phones inside committee rooms** as they distract from debate.

Research Report Publications

Research Reports will begin to be published in July on the MUNISH website at <https://www.munish.nl/pages/committees>. All research reports will be published **at least five weeks prior to the conference** and therefore in early September. In the meantime, should you have any questions, please do not hesitate to contact us at munish.secretariat@ishthehague.nl.

Accommodation (Hotels)

This year, MUNISH is negotiating with local hotels to offer you the best deals and affordable rates. On our MUNISH website, we have provided you with information with regards to hotel prices and locations around The Hague (<https://www.munish.nl/pages/hotels>). More hotel options in The Hague can be found on www.booking.com.

Several hotels have offered discounted rates for MUNISH participants. The interactive map allows you to see what hotel is best suited for your delegation. Hotel price comparisons can be found below the interactive map of The Hague.

Hotels should therefore be booked very soon, especially with regards to schools coming from abroad, to avoid any issues with booking that may come as hotel capacity decreases closer to the conference dates.

The nearest hotel to our school is NH Atlantic Kijkduin, and our contact person is Mr Jose Luis Dominguez (nhgroupsales.nl@nh-hotels.com).

Community Housing NOT Available this year

MUNISH will not be offering community housing during the conference this year. Community housing will also **not** be offered for Student Officers. This means that it is **very important** that schools book hotel accommodations (see [Accommodation \(Hotels\)](#) above)

We are very sorry for the inconvenience caused.

MODEL UNITED NATIONS

INTERNATIONAL SCHOOL OF THE HAGUE

Transportation

For finding your way around public transportation in The Netherlands and The Hague, we highly recommend using the website <https://www.9292.nl/en#>. This service is also offered as a mobile application. This site is in English and will inform you about all the travel information, including maps for walking routes and the total cost of the trip in case you choose not to buy the subsidised travel card offered in the section below (see **Subsidised Travel Cards**). Also please find directions to and from the conference from the Schipol Airport and The Hague Central Station at <https://www.munish.nl/pages/directions>.

Subsidised Travel Cards

Delegates arriving from countries outside The Netherlands have the option of purchasing a travel card from us, providing access to all public transport systems in The Hague. We strongly advise this purchase as the Dutch Transport System is both expensive and impractical for short visits. This year, MUNISH will again be offering the “Congresskaarten” that holders can use to take public transport around The Hague (unlimited use) for 3-7 days. These travel cards are a great success every year! The card will allow holders to take the trams or buses to and from school and to any other locations they may wish to visit in The Hague.

These will be priced at €22.05 per person for 4 days and will be available for anyone who takes part in the conference. This means that by using the travel card, cardholders could save up to €20 in travelling costs per person. **If some schools want the cards for an extra 5th day, they will need to pay an extra €5.30 per person for a total of €27.35 per person for 5 days.**

| Number of Days | Price Per Person |
|----------------|------------------|
| 3 | €16.75 |
| 4 | €22.05 |
| 5 | €27.35 |
| 6 | €32.65 |
| 7 | €37.95 |

However, if you choose not to purchase one of these tickets you have two other alternatives: you could buy a ticket each time you travel which costs €4 and is valid for 2 hours, so if students were to take 2 trips a day (to and from the conference). This would cost €8 each day. There is also a day card which costs €7.10 for unlimited travel. The card we offer is therefore by far, the cheapest alternative. Purchasing these cards, which we have specifically negotiated with the travel company HTM, are also significantly cheaper to use in comparison to the conventional OV-chip travel cards.

The digital travel card request form can be filled in with the following link: <https://forms.gle/z6degJq2Z7xGrhA5A>. Please order the travel cards **no later than Monday the 25th of September, 2023**.

Preliminary List of Workshops Available

MUNISH 2023 will be offering four workshops, which will take place during the conference. These will be held in the school facility on **Friday November 3rd**. Students may sign-up for all workshops during registration on Friday. Please note that we will be offering two workshop sessions. The agenda can be found in this mailing (**Provisional Programme of Events**) and on the MUNISH website (<https://www.munish.nl/pages/agenda>).

The workshop leaders will be announced in the Conference Booklet. We will, therefore, offer the following workshops listed below:

The New Delegates Workshop is a great opportunity for new participants to develop their debating techniques, language, and skills in the perfect environment with others. Delegates will be able to apply these skills during the conference as well as future MUN and MUNISH conferences.

The Student Officer Workshop aims to develop individuals so they are prepared to direct the debate as a chair in the future. This workshop is an excellent opportunity for participants to ask questions, learn new skills and techniques, and share experience. Participants with prior Student Officer experience are welcome to attend this workshop.

The Public Speaking Workshop is for all participants at the conference. This workshop is especially useful to individuals with little or no MUN experience, as public speaking plays a large role in debates. In this workshop, participants will learn a variety of skills, which will be helpful during the debate sessions

The Charity Workshop is open to all conference participants and is focused on the MUNISH 2023 charity. Representatives from the charity will come and host the workshop about their charity, purpose, and mission. The MUNISH charity will be announced in the Third Mailing, expected in mid-September.

MUNISH 2023 Charity

As we have previously mentioned, the charity will be announced in the Third Mailing (expected mid-September). During MUNISH, the profit from merchandise will be donated to the charity. We also hope that participants will be eager to donate to support vital work that charities do, especially considering recent events. In every committee, there will be a chance to donate via charity boxes that will be passed around. In addition, MUNISH 2023 will be organising a raffle to raise money for the designated charity. Participants will have the opportunity to buy raffle tickets during the conference. The winner of the prize (to be determined during the conference) will be announced during the closing ceremony. More about the raffle will be included in the Third Mailing (expected in September).

MODEL UNITED NATIONS

INTERNATIONAL SCHOOL OF THE HAGUE

MUN-Director Tour

MUNISH will be offering an MUN Director tour on **Saturday the 4th of November 2023** in the morning. This tour is intended to provide a medium for getting acquainted with each other and with the theme of the conference, *Bridging the Divide to Unity and Equality*. We are in the process of organising the location(s), which will be communicated to MUN Directors/Advisors in the Third Mailing.
