

Dear MUN Director/MUN Advisor,

Wednesday, 4th of June, 2025

On behalf of my fellow MUNISH [Board of Directors](#), I am pleased to present you with the Second Mailing for MUNISH 2025. We are delighted with the responses we have received to Form I and the First Mailing and are therefore looking forward to hosting a vibrant and diverse conference based on our theme **From Conflict to Consensus: Diplomacy in a Polarised World** (<https://munish.nl/pages/theme>).

The Second Mailing contains organisational information and a more detailed outline of the MUNISH 2025 conference. We have allocated schools to country delegations and Non-Member delegations, according to, as much as possible, the preferences listed on the application forms. **In some cases, the number of delegates exceeded the places in the country delegation(s) meaning that the schools in question have received an extra delegation, which they may choose to take up or relinquish depending on the size of the delegation they will bring to MUNISH in November. If you wish to have another delegation assigned to you, we still have some available, but please first ensure that you have enough delegates to fill the extra places in the delegation allocated. Conversely, if you believe that you will have enough delegates to fill the extra delegation you have been assigned, please let us know as soon as possible so that we can re-assign your delegation(s) to other schools.**

Resources for the delegates, such as *How to Help MUN Delegates Become Prepared* and the *MUN Chairing Guide* are now available on the MUNISH website (www.munish.nl/pages/munguides). We would like to strongly encourage your delegates to make use of these resources as well-prepared delegates can only enhance the quality of debate during the conference.

The Third Mailing, to be sent out in early September, will contain information concerning the registration of individual delegates (Form 2), which will be completed via the MUNIS registration system (used for the submission of Form 1). In addition to this, information concerning hotels, travel, and tourist attractions can be found on our website at www.munish.nl/pages/hotels. Form 2, registration of your delegation in our database, is due **Monday September 23rd, 2025**.

All information contained in this mailing and additional information can be found at www.munish.nl.

In case of any further questions regarding country delegations or further queries, please do not hesitate to contact us at munish.secretariat@ishthehague.nl.

Yours Sincerely,

Katerina Volokitin

Secretary-General | MUNISH XXXV

General Information

Important Dates and Deadlines

- **Conference Cancellation Deadline before:** Monday 8th September 2025 to avoid a €150 cancellation fee
- **Registration of participants due (Form II):** Monday 15th September 2025
- **Deadline for ordering subsidized travel cards:** Monday 15th of September 2025
- **Deadline for payment of fees:** Friday October 10th 2025
- **Conference Dates:** Friday November 7th - Sunday November 9th, 2025

All forms must be filled in and submitted digitally. The digital links to these forms can be found on pages 12 - 14 of this mailing.

MUNISH Bank Details & Participation Fees Deadline

Please **note that information containing our bank payment details will only appear once you submit your Form 2 and we formally accept it.** Therefore, once you submit your Form 2 in early September and we accept it, your current **'Statement of Account'** on your financial page will become an invoice revealing our bank details. We do this in order to avoid confusion of schools paying before filling in and submitting Form 2. The payment of fees deadline is **Friday, October 10th, 2025.**

Conference Cancellation Deadline & Conference Fees Deadline

If for unforeseen circumstances a delegate or whole delegation is suddenly unable to attend MUNISH 2025, a cancellation must be e-mailed to the Secretariat (munish.secretariat@ishweb.nl) by **Monday the 8th of September 2025.** This will be confirmed in the form of a reply to the cancellation email. Please note that if there is a cancellation beyond the deadline, a €150 cancellation fee will be incurred. Additionally, as mentioned in the **MUNISH Bank Details & Participation Fees Deadline** section (see Page 4), the information regarding our bank details will be disclosed on the MUNIS website once Form 2 has been submitted and we have formally accepted it. Therefore, once you submit your Form 2 and we accept it, your current **'Statement of Account'** on your financial page will become an invoice revealing our bank account details. We do this to avoid confusion of schools paying before filling in and submitting Form 2.

The deadline for payment of fees is Friday October 10th, 2025.
Please address all your invoice questions to our Business Manager at:
munish.businessmanager@ishth Hague.nl

Registration Fee per School (For Domestic and International Schools)	€65
Participation Fee per Person (Delegates and MUN Directors)	€89
Participation Fee per Person (Student Officers)	€89

Registration of Participants (Form 2)

On the User Manual link (https://munis.thimun.org/munish/user_manual.pdf) **you will be able to download an Instruction/User Manual that has a step by step guide on how to register your delegation and this can be found on pages of 7-10** of the link above. We recommend that you download the user manual to help you fill in the Form 2 online.

Therefore, once logged in, you can check your school's participation, assign delegates to available committees based on the requirements for each delegation/register delegates, MUN-Directors/Chaperones and also check your invoice using the Account/Financial tab.

Login/Password Info

If you cannot remember your password, please click on the **'I do not remember my credentials'** link at https://munis.thimun.org/munish/pagedisplay?page=send_credentials.html. The system will then automatically send you a new password to the email address that you used on Form 1 (the address registered by the system). Please remember to change the password.

Registration of Delegates

We ask that you do not write your students' names using capital letters when filling in Form 2. **For example, write 'Mary Jones' and not MARY JONES.** In the case we receive a submission where this has been done, we will unfortunately have to ask for the submission to be edited, as this interferes with the production of the badges and printing participation certificates.

Assigning Delegations & Compulsory Delegations

All delegations that are represented in the Security Council (SC), Historical Security Council (HSC), Futuristic Security Council (FUNSC), Advisory Panel on the Question of the Panama Canal (APQPC), Economic & Social Council (ECOSOC), Group of Twenty (G20), Peacebuilding Commission (PBC), Environment Commission (EVC), and United Nations Commission on Narcotic Drugs (UNCND) **must have compulsory representatives in those committees**. Form 2 on the MUNIS registration system (<https://munis.thimun.org/munish/>) also clearly indicates the minimum and maximum number of delegates that you can register for each delegation.

Please **assign your most experienced delegates to the following committees (in ranked order); Security Council (SC), Historical Security Council (HSC), Futuristic Security Council (FUNSC), and Advisory Panel on the Question of the Panama Canal (APQPC)**.

Explanation of Assigning Delegations

In some cases, the maximum number of delegates granted exceeds the requested amount of delegates. The schools in question must ensure that all their delegations are represented in the compulsory committees (see [Assigning Delegations & Compulsory Delegations](#)). It is essential that MUN Directors place their delegates in the aforementioned forums before assigning them to other committees. Preferably, place the delegates with the most experience in the committees of concern for your assigned delegation, prioritising the advanced committees mentioned previously. Additionally, we recommend that you take into consideration the interests and preferences of your delegates when assigning committees.

Again, if you wish to have another delegation assigned to you, we still have a few remaining, but please ensure that you have enough delegates to fill the places you have already been assigned. Conversely, if you do not believe that you will have enough delegates to fill the extra delegation(s) you have been given, please let us know as soon as possible **so that we can re-assign your delegation(s) to other schools waiting for extra delegations**.

No Badge Photos Required - School ID Instead

Please note that for this year's MUNISH conference, **badge photos are not necessary**. However, due to our school's security policy, **all participants will need to have some form of official identification on them during the conference** and for the Madurodam Party. Passports are discouraged and participants should use a school ID or other recognisable ID instead.

Digital Resolutions & Digital Device Requirements

The MUNISH conference will have all resolutions in a digital format, accessible through an online resolution fetching system. This measure has been taken in accordance with our effort to continually strive for greater sustainability and will therefore substantially reduce the use of paper in our conference. Due to this new change, **it will be required that all delegates at MUNISH have access to a digital device from which they can access the resolutions debated during the conference.** Acceptable digital devices include laptops and tablets. **We strongly discourage the use of mobile phones inside committee rooms** as they distract from debate.

Research Report Publications

Research Reports will begin to be published in July on the MUNISH website at <https://www.munish.nl/pages/committees>. All research reports will be published **at least five weeks prior to the conference** and therefore in early September. In the meantime, should you have any questions, please do not hesitate to contact us at munish.secretariat@ishthehague.nl.

Accommodation (Hotels)

This year, MUNISH is negotiating with local hotels to offer you the best deals and affordable rates. On our MUNISH website, we have provided you with information with regards to hotel prices and locations around The Hague (<https://www.munish.nl/pages/hotels>). More hotel options in The Hague can be found on www.booking.com.

Several hotels have offered discounted rates for MUNISH participants. The interactive map allows you to see what hotel is best suited for your delegation. Hotel price comparisons can be found below the interactive map of The Hague.

Please note that the **NH Atlantic Hotel** is not available for accommodation this year due to renovations.

Hotels should therefore be booked very soon, especially with regards to schools coming from abroad, to avoid any issues with booking that may come as hotel capacity decreases closer to the conference dates.

Community Housing NOT Available

MUNISH will not be offering community housing during the conference. Community housing will also **not** be offered for Student Officers. This means that it is **very important** that schools book hotel accommodations (see [Accommodation \(Hotels\)](#) above).

Transportation

For finding your way around public transportation in The Netherlands and The Hague, we highly recommend using the website <https://www.9292.nl/en#>. This service is also offered as a mobile application. This site is in English and will inform you about all the travel information, including transport arrival and departure times, maps for walking routes and the total cost of the trip in case you choose not to buy the subsidised travel card offered in the section below (see **Subsidised Travel Cards**). Also please find directions to and from the conference from the Schipol Airport and The Hague Central Station at <https://www.munish.nl/pages/directions>.

Subsidised Travel Cards

Delegates arriving from countries outside The Netherlands have the option of purchasing a travel card from us, providing access to all public transport systems in The Hague. We strongly advise this purchase as the Dutch Transport System is both expensive and impractical for short visits. This year, MUNISH will again be offering the “Congresskaarten” that holders can use to take public transport around The Hague (unlimited use) for 3-7 days. These travel cards are a great success every year! The card will allow holders to take the trams or buses to and from school and to any other locations they may wish to visit in The Hague. **These will be priced at €23.00 per person for 4 days** and will be available for anyone who takes part in the conference. This means that by using the travel card, cardholders could save up to €20 in travelling costs per person. **If some schools want the cards for an extra 5th day, they will need to pay an extra €5.50 per person for a total of €28.50 per person for 5 days.**

Number of Days	Price Per Person
3	€17.50
4	€23.00
5	€28.50
6	€34.00
7	€39.50

However, if you choose not to purchase one of these tickets you have two other alternatives: you could buy a ticket each time you travel which costs €4 and is valid for 2 hours, so if students were to take 2 trips a day (to and from the conference), this would cost €8 each day. There is also a day card which costs €7.10 for unlimited travel. The card we offer is therefore by far, the cheapest alternative. Purchasing these cards, which we have specifically negotiated with the travel company HTM, are also significantly cheaper to use in comparison to the conventional OV-chip travel cards.

The digital travel card request form can be filled in with the following link: <https://forms.gle/NsNQyKCGdA62gUAj8>
Please order the travel cards **no later than Monday the 15th of September, 2025.**

Preliminary List of Workshops Available

MUNISH 2025 will be offering four workshops, which will take place during the conference. These will be held in the school facility on **Friday November 7th**. Students may sign-up for all workshops during registration on Friday. Please note that we will be offering two workshop sessions. The agenda can be found in this mailing (**Provisional Programme of Events**) and on the MUNISH website (<https://www.munish.nl/pages/agenda>).

The workshop leaders will be announced in the Conference Booklet. We will, therefore, offer the following workshops listed below:

The New Delegates Workshop is a great opportunity for new participants to develop their debating techniques, language, and skills in the perfect environment with others. Delegates will be able to apply these skills during the conference as well as future MUN and MUNISH conferences.

The Student Officer Workshop aims to develop individuals so they are prepared to direct the debate as a chair in the future. This workshop is an excellent opportunity for participants to ask questions, learn new skills and techniques, and share experience. Participants with prior Student Officer experience are welcome to attend this workshop.

The Public Speaking Workshop is for all participants at the conference. This workshop is especially useful to individuals with little or no MUN experience, as public speaking plays a large role in debates. In this workshop, participants will learn a variety of skills, which will be helpful during the debate sessions

The Charity Workshop is open to all conference participants and is focused on the MUNISH 2025 charity. Representatives from the charity will come and host the workshop about their charity, purpose, and mission. The MUNISH charity will be announced in the Third Mailing, expected in mid-September.

MUNISH 2025 Charity

As we have previously mentioned, the charity will be announced in the Third Mailing (expected mid-September). During MUNISH, the profit from merchandise will be donated to the charity. We also hope that participants will be eager to donate to support vital work that charities do, especially considering recent events. In every committee, there will be a chance to donate via charity boxes that will be passed around. In addition, MUNISH 2025 will be organising a raffle to raise money for the designated charity. Participants will have the opportunity to buy raffle tickets during the conference. The winner of the prize (to be determined during the conference) will be announced during the closing ceremony. More about the raffle will be included in the Third Mailing (expected in September).

MUNISH 2025 Press Exhibition

MUNISH 2025 has organized a Press competition inspired by THIMUN, named the MUNISH World PRESS Exhibition and is open to every student participating in MUNISH 2025. We are looking for creative and skillful individuals hoping to display their photographs, articles or artworks. The submissions will be relevant to the MUNISH The Hague conference theme and all entries nominated for a distinguished award will be recognised during the closing ceremony alongside the other submissions displayed throughout the conference. We hope to encourage young individuals to step out of their comfort zone and highlight the theme of: “From Conflict to Consensus: Diplomacy in a Polarized World” through their own lens, pen or paintbrush. More information about the exhibition will be published shortly.

MUN-Director Tour

MUNISH will be offering an MUN Director tour on **Saturday the 8th of November 2025** in the morning. This tour is intended to provide a medium for getting acquainted with each other and with the theme of the conference, ***From Conflict to Consensus: Diplomacy in a Polarized World***. We are in the process of organising the location(s), which will be communicated to MUN Directors/Advisors in the Third Mailing.

Touring The Hague & Places to Visit in The Netherlands

Enjoy the many cultural and social activities in The Netherlands has to offer during your stay! There are many places to visit both in The Hague and in other cities that are generally less than an hour’s trip away. For the most up-to-date information on places to visit in The Netherlands, please visit our interactive page on the MUNISH website at: <https://www.munish.nl/pages/places>.

Issues on the Agenda

The *Issues on the Agenda* can also be found on the MUNISH website at: <https://www.munish.nl/pages/committees>. As mentioned previously, the Research Reports will be posted in the coming months on this page. Please check this page frequently so that your delegation can be informed of the published Research Reports (see [Research Reports](#)).

General Assembly (GA)

1st Committee (International Security & Disarmament)

- Developing effective actions towards the total elimination of nuclear weapons
- The question of of AI-Driven weaponry in modern warfare
- Strengthening measures to prevent and combat maritime piracy

3rd Committee (Social, Cultural, & Humanitarian)

- Strengthening the protection of civilians in armed conflict zones
- Tackling gender-based violence and the escalating crisis of femicide
- Responding to the global rise in aging populations

4th Committee (Special Political & Decolonisation)

- The question of regional stability and sovereignty in the South China Sea
- The question of peace and stability in the Nagorno-Karabakh Region
- Protecting the right to free and fair elections

Special Conference on Peace & Security

1st Sub-Commission (SPC1)

- The right to retain nuclear weaponry
- Addressing the issue of decreasing global dependency on fossil fuels
- Enhancing international responses to ongoing humanitarian crises

2nd Sub-Commission (SPC2)

- The question of sanctions
- Promoting international cooperation on the peaceful uses of outer space
- Tackling cyber sieges and digital warfare

Commissions & Councils

Security Council (SC)

The question of maintaining peace and stability in the Middle East
Addressing the ongoing conflict in Ukraine

Historical Security Council 1985 (HSC)

The Soviet Invasion of Afghanistan
The Nicaragua Contra Conflict

Environment Commission (EVC)

Addressing the environmental challenges posed by Artificial Intelligence
Facilitating sustainable energy transitions in developing countries
The question of biodiversity conservation and habitat protection

Commission on Crime Prevention and Criminal Justice (CCPCJ)

Tackling the global opioid crisis
Addressing the use of cryptocurrencies in money laundering and transnational organized crime
Preventing and responding to human trafficking in conflict and post-conflict zones

Economic and Social Council (ECOSOC)

Assessing the impact of Artificial Intelligence on the global labour market
Strengthening international frameworks for cryptocurrency regulation
Tackling global food insecurity and supply chain disruptions

Human Rights Council (HRC)

The question of human rights in conflict zones
The question of asylum seekers' rights
The question of digital rights and cybersecurity

Peacebuilding Commission (PBC)

Preventing proxy wars in the Middle East
The question of the transnational armed conflict in Kashmir

Futuristic Security Council (FUNSC)

Cyber Warfare and global security
Climate-induced mass migration and border tensions

United Nations Commission on Narcotic Drugs (UNCND)

- The legalisation of medical cannabis and psychedelics
- Enhancing global coordination in combating drug trafficking networks
- Prevention and treatment of drug addiction in vulnerable populations

North Atlantic Treaty Organization (NATO)

- Restrengthening alliances with non-NATO members
- Maintaining NATO's military presence and deterrence strategies in Eastern Europe
- The militarization of the Arctic

Commission on Science and Technology for Development CSTD

- Tackling the rising global threat of ransomware attacks
- The question of regulating Artificial Intelligence for sustainable development
- Ensuring fair access to healthcare innovation while upholding intellectual property protections

Other Committees

Advisory Panel on the question of the Panama Canal (APQPC)

- The economic crisis
- The political crisis
- The environmental crisis

Group of Twenty (G20)

- Reducing international trade barriers
- The question of financial sanctions
- Artificial intelligence and innovation for sustainable development

World Health Organisation (WHO)

- The question of combating the spread of medical misinformation and disinformation
- The question of integrating AI and emerging technologies in healthcare systems
- Strengthening international response and resilience for future pandemics

International Court of Justice (ICJ)

- Application of the Convention on the Prevention and Punishment of the Crime of Genocide in the Gaza Strip (South Africa vs. Israel)

Student Officer Appointments

The MUNISH Board of Directors is proud to announce the Student Officer assignments for MUNISH 2025!

The positions will be posted shortly on the MUNISH website (<https://www.munish.nl/pages/stoff>)
