

FORUM: The Security Council (1962)

QUESTION OF: The Cuban Missile Crisis

The Security Council,

Emphasizing that nuclear warfare could make humanity cease to exist, by recognizing the potential for mass destruction retained by nuclear arsenals,

Noting the maintenance of nuclear weapons arsenals by the United States of America (USA) and the Union of Soviet Socialist Republics (USSR),

Acknowledging the presence of USSR medium-range (SS-4) and intermediate-range (R-14) ballistic missiles within Cuba, and the immediate danger posed to the USA by their presence,

Acknowledges that the USA infringed upon Cuba's sovereignty,

Acknowledges the missiles implemented by USSR were able to reach most of North

Desiring a peaceful end to this conflict,

1. Calls for the de-escalation of the conflict by means of but not limited to;
 - a. stabilization of Germany through the creation of a common currency between East and West Germany called the Einheitlich Mark
 - b. Have the U.S withdraw all U.S missile weaponry from all NATO member states so as to diminish the threat of U.S aggression towards the U.S.S.R in order to erase part of the military threat that impedes peace negotiations today and have the U.S.S.R. remove their missiles from the Eastern Block along with removing missiles from Cuba, the withdrawal supervised by the UN to ensure all weaponry returns to home soil
 - c. Have all member states recognize the right of any country to follow the political ideology of its choice
2. Urges U.S.A. and U.S.S.R. to pay an appropriate amount of compensation to Cuba, and Turkey respectively for removing the nuclear missiles within their territory,
 - a. The compensation includes but is not limited to:
 - i. Cash
 - ii. Industrial resources such as steel and iron
 - iii. Agricultural product
 - iv. Cancellation of trade sanctions
 - b. The amount of compensation should be negotiated between nations which participate in this deal.
3. Calls for an annual summit to be held between all nations who are a part of this crisis to be held in Vienna, with the presence of member states scrutinized by the UN, imposing sanction should member states be requested but absent in order to discuss the following, but not be limited to:
 - a. The development of a form of arms controls to ensure safety and security globally, focusing on topics such as but not limited to:

- i. The issue of reducing the number of nuclear weapons in possession and in the process of being built by member states
 - ii. The reduction of military arsenals, the exact reduction to be in accordance with the member states current arsenal and position in political situations
 - b. Ensure the safety of citizens, firms, and banks, abroad to:
 - i. Allow for unhindered transfer of materials
 - ii. Allow for cultural and social enrichment
- 4. Calls for initiating and maintaining bi-annual checks on Warsaw-pact missile and NATO bases, the results of which are to be published to the international community
- 5. Proposes a mutual agreement for peace in which:
 - a. The USA promises to never infringe Cuba's and East Berlin's sovereignty through military means unless the Security Council deems it necessary
 - b. The USSR agrees to such an agreement regarding Turkey and West Berlin
